Civil Engineer I

The City of Montrose is accepting applications for a Civil Engineer I to work under the direction of the City Engineer. This position is responsible for technical engineering, engineering designs and reviews, engineering standards, survey work, project & construction management & inspections, the Storm Water Management Program, traffic impact studies, use of CAD, utility modeling & pavement management software, and providing general engineering support to citizens and other City departments.

Requirements include a Bachelor’s degree in Civil Engineering or related field and one (1) year of engineering, surveying, CAD, and project management/construction experience and a valid driver’s license. Colorado Engineering Intern (EI) registration requested or the ability to obtain within a 6-month period. Annual salary is $43,000 to $45,000 depending on experience.

APPLICATION DEADLINE: March 24, 2014 at 4:00 p.m. EOE

However, applications are being accepted and considered on a rolling basis until the position is filled.

More information, including the required application, is available on the City website at www.cityofmontrose.org/jobs. Submit application to the City of Montrose HR Department, 433 South 1st Street or mail to PO Box 790, Montrose, CO 81402. Contact: Tina Woodrum 970-240-1415
