

Fall 2011 Outstanding Senior

Patrick Mette

Civil Engineering

“I have come to think very highly of Patrick based on his academic efforts and his work outside of the classroom.”

“He has proven himself a capable leader within EWB-UA (treasurer to project manager). I have seen firsthand his ability to handle logistics...”

“Patrick has demonstrated his abilities in and out of the classroom. He is an outstanding student and has potential to be a solid engineer.”

Nominated By:
Kevin Lansey, Department Head

Patrick Mette and CEEM Professor Tribikram Kundu.
