

## Spring 2012 Outstanding Senior

# Anna Naumovitz

Civil Engineering

“Anna is the best student among all the students I have supervised. She has been focused on her goals from the beginning of my advising relationship with her.

Anne serves as the President of SCE. She is extremely efficient and dedicated to students in SCE. The faculty in our department is impressed with her academic performance and social service activities. We are truly very proud of her accomplishments.”

Nominated By: Jennifer Duan  
Associate Professor
