

Spring 2013 Outstanding Senior

Hwee Hwang Civil Engineering

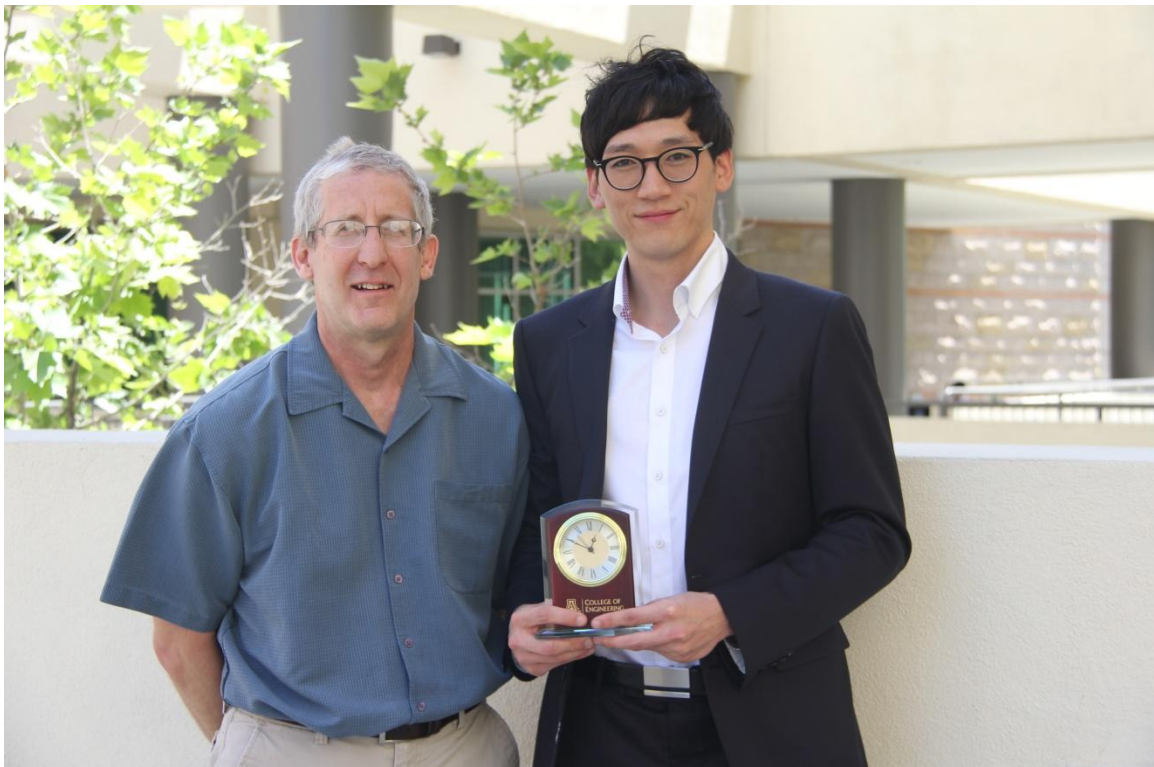

"Hwee is an exceptional student and representative of our department. Our faculty recognized His strong efforts in the classroom where he has been the top student in many of our classes.

Hwee will complete his B.S. degree requirements this spring while also finishing 4 graduate courses towards his Master's degree.

His plan is to continue toward his Ph.D. after completing his MS next year."

Nominator: Kevin Lansey, Department Head

CEEM Department Head and Professor Kevin Lansey and Hwee Hwang.
