

Spring 2015 Outstanding Teaching Assistant

ANSHUL AGARWAL **CIVIL ENGINEERING AND ENGINEERING MECHANICS**

- ☑ Started at UA in Fall of 2012
- ☑ Received his Bachelors of Technology Degree in 2008.
- ☑ His area of expertise is in earthquake engineering primarily in analysis of structures using non-linear transient dynamic response study to determine their behavior under seismic loading. He is mentoring M.S. students and UG researchers.
- ☑ He is the TA for CE 389 and has developed original coursework unsolicited, and improved the quality of the student's experience. CVE students enjoy him as TA and students have stated, *"Not only does Ansul show great passion for the study of civil construction materials, but he simply delights in the art of teaching."*

Nominator and Presenter: Robert B. Fleischman, Associate Professor

Anshul Agarwal with CEEM associate professor Robert Fleischman
